

One stolen laptop —
2,000 exposed patient records.

Let us shield you.

Patient information can be lost or stolen in many ways. But when it happens, you're the one who must clean up the mess and incur the expense.

DataShield, a coverage enhancement from NORCAL Mutual, protects you from costs related to information and network security — at no additional cost to you. To purchase your NORCAL Mutual coverage call RIMS Insurance Brokerage at 401-272-1050.
