

TOGETHER, SMALL BUSINESSES ARE RI'S BIGGEST BUSINESS.

“We chose HealthSource RI because our employees were each able to choose the plan that best fit their needs. They came to our office to answer all of our questions and to help everyone sign up. It was a seamless transition and their customer service is exemplary.”

Michael Harris, D.D.S.

EAST GREENWICH DENTAL ASSOCIATES

You are a healthcare provider, but you are also a small business. So you know that big businesses get all the breaks. That's why they pay less for pretty much everything – including health insurance. But together with HealthSource RI, small businesses can get a better deal on health and dental insurance.
