#### MEMPHIS, TENNESSEE

A statue of Elvis Presley stands on Beale Street, location of the many historic music clubs where the 'Memphis Blues' sound originated. Sun Studio was where the 18-year-old Elvis recorded his first song, and music legends B.B. King, Johnny Cash, and Jerry Lee Lewis helped define the Memphis sound, a blend of blues and country music that formed the roots of rock'n'roll. RIMJ designer **Marianne Migliori** viewed a recent issue at the entrance to the legendary street.
